Business Portrait

A True Representative of the Filipino Cuisine

A simple dream by a foodie at heart coupled with a forward thinking mindset led to the proliferation of a burgeoning business empire spearheaded by our visionary leader: Mr. Rikki U. Dee.

It all started when Mr. Dee keenly identified unfulfilled needs of the Filipino dining out market which he ably addressed through the establishment of Lamesa Grill in SM Mall of Asia. Anchored on firm commitments to **food quality & freshness, attentive service, and culinary innovation**, Lamesa Grill quickly captured the imagination of the Filipino dining public. A dining concept that was truly ahead of its time, Lamesa Grill was a pioneer in the Filipino restaurant industry relative to on-the-spot grilling at your table while imbuing the Shabu-Shabu concept with an intrinsic Filipino identity.

Inspired by the success of this venture and armed with a deeper understanding of the local dining landscape, the seeds were soon quickly planted for the group's latest brainchild: Mesa in Greenbelt 5, Makati City which initially opened its doors to the dining public back in 2009. Mesa soon became a **favorite stop to enjoy both classic Filipino dishes influenced by diverse regions in the Philippines with endearing modern twists.**

The Mesa threefold advantage can be summed up as innovative yet traditional cuisine, genuine Filipino hospitality, and an exceptional dining experience highlighted by native accents all within the realm of affordable luxury. Today, our food business venture operates **more than 60 restaurants nationwide** while setting a keen eye toward the future of further expansion across the country and abroad while we march forward towards our unified goal - ***Our Road to 100 Restaurants!***

Mesa is an integral pillar within the Foodee Global Concepts family bannered by Michelin Starred Restaurant Concepts Tim Ho Wan, Hawker Chan, and Kam's Roast, as well as homegrown restaurant establishments Mangan, Bench Café, Sunnies Café, original Chef curated concepts Pound, Flatterie, Kai and so much more. Mesa has been repeatedly recognized among the top restaurants in the Philippines by The Philippine Tatler, Taste Atlas, and the Philippine Retailers Association."

Be A MesaPreneur Franchise System

Cook Up Your Own Mesa

1 PROPOSAL

Submit a letter of intent supported by pictures, brief background of the applicant and floor plan or shop drawing of the proposed area. Upon receipt, a meeting with the business development group will be set to discuss further the application and learn more about the location.

2 INSPECTION & EVALUATION

An inspection of the location will be scheduled after the meeting and an evaluation and feasibility study will be conducted.

3 AGREEMENT

If the location is approved, signing of the Franchise Agreement will immediately follow. Upon signing of the Franchise Agreement, the franchisee will then be entitled to the franchisee's benefits and will be assisted in setting-up of the outlet up to the grand opening.

QUALIFICATION OF THE FRANCHISEE

A franchisee should have a successful professional track record, not necessarily in the food business and should have a strong will to succeed.

Hands-on management is preferred, though it is not a requirement. It is also important that a franchisee must have a strong background in people skills.

BENEFITS OF MESA FRANCHISEE

1. The franchisee can use MESA's business name and trade mark.
2. The franchisee can utilize the existing business system for the restaurant.
3. Shall be provided with high quality menus and food service.
4. Shall have a chance for a profitable business venture.
5. The franchisee can be assured of the credibility of the brand and name recognition.
6. Shall be assisted in site selection and evaluation.
7. Shall be provided with the proper training, specifically training of staff.
8. Will provide with necessary assistance for pre-opening, grand opening and post-opening.
9. Will be provided with marketing and promotional assistance.
10. Shall be entitled to on-going operational support.
11. Will be provided with the procurement program.

Embrace Filipino Hospitality with MESA Care

OPERATING MANUALS

Mesa Franchise store will receive:

- Operations Manual
- Store Opening Kits
- NLRC Approved Company Handbook
- Food Safety Manual
- Kitchen and Bar Recipe Manuals
- Official Mesa forms on how to operate franchise store facility

TRAINING & DEVELOPMENT

Franchisee can deploy several management positions and will be trained under Mesa facility for sixty (60) days with the supervision of our opening team **FREE** of charge. Mesa shall assign opening team to train and assist the franchise outlet's employees in the opening of the restaurant.

AUDITING & SUPPORT TEAM

To ensure financial profitability and franchise store's compliance with set standards, processes and procedures, our audit team frequently conducts unannounced audit. This covers several aspects of operations like inventory management system, floor control compliance, facility maintenance, food safety practices, kitchen operations, and so on. We also have monthly/quarterly business performance review presided by our CEO and/or COO and Operations Director. Our corporate team shall guide franchise management team on their financial performance.

MARKETING & ADVERTISING

Our Marketing and Advertising team continuously develops national and local store promotions, partnerships and co-branding activities in supporting franchise outlet. Our team will assist franchise store in establishing market demographics and information dissemination tools during and after the opening.
